Discussion Group 2026

Date	Topic
12th January	With equality legislation in place and the changes to the role of women both in employment and society over time, then is there a threat to the progress which has already been made?
9th February	With the rundown of viable oil reserves, then how will this affect our lives, global warnings etc..... and will we be ready to embrace wholesale renewable energy?
9th March	Are well established frictional generational differences, together with ongoing hate marches, deferred elections etc.... then is democracy under threat in the UK?
13h April	Was the use of nuclear weapons on Japan in 1945 justified? Were the allies in WW2 aware of the consequences?
11th May	Is there a difference between the way employed people and those who are self-employed feel about life, working life, politics etc....?
8th June	Why do scandalous subjects benefit from discussion and exposure in the media?
13 July	Has the commercialism of religious festivals gone too far?
10th August	Due to seemingly deleterious changes to the country's High Streets, then what can be done to turn the situation around?
14th September	Should further red lines be drawn on the right to free speech? Discuss in the context of 'Cancel Culture'.
12 th October	Should we reintroduce conscription?
9th November	What do we like doing for fun and entertainment? Open discussion.
14th December	Planning Meeting for 2027
